

ANOTHER MOST MEMORABLE EVENING

1st event of the season!

The first Gala of the international edition of the GRANDS PRIX DU DESIGN took place on September 18, 2021, in Quebec City and brought together many professionals on site and online.

More than 1000 projects were submitted for this 14th edition!

Their diversity and origin prove that the GRANDS PRIX DU DESIGN competition is a must for both experienced and emerging firms.

The competition has created opportunities for international recognition and promotion for all its partners, candidates, finalists, and winners.

This report will allow you to see the important visibility given to your firm, and the positioning of your brand and your products in this niche market.
